New Screen

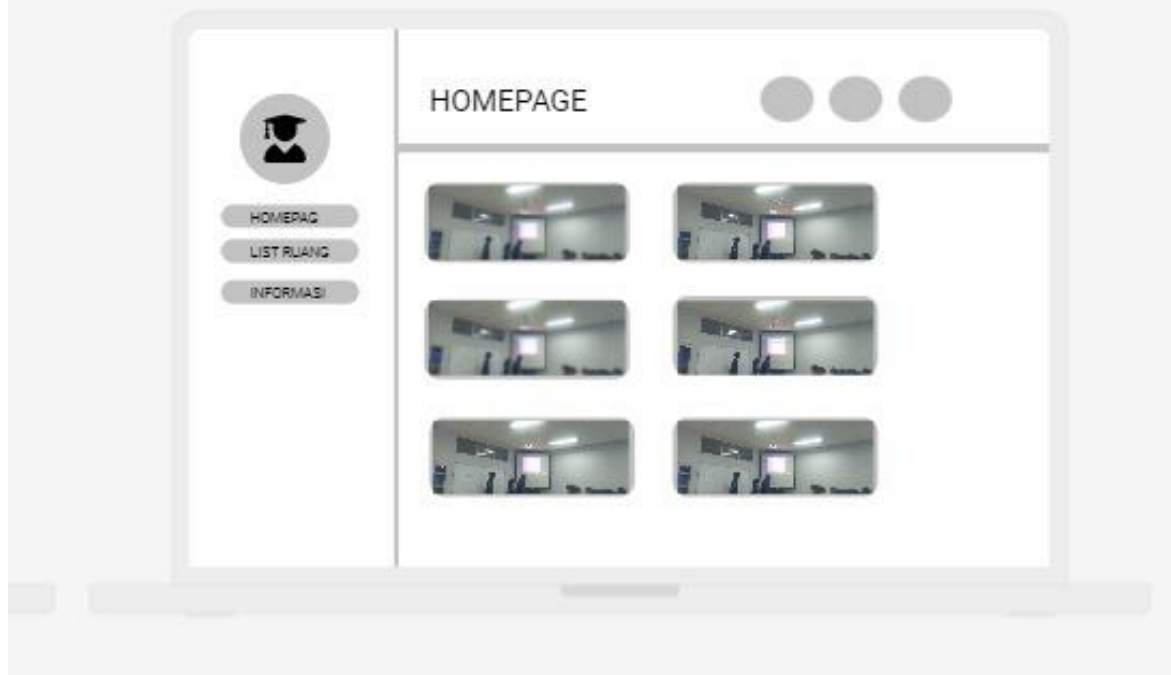

A mockup of a laptop screen displaying a login interface. The screen is divided into two panels by a vertical line. The left panel contains a login form with the following elements: a rounded rectangular button labeled "LOGIN" at the top; a text input field labeled "NIM" below it; a text input field labeled "PASSWORD" below that; and a short, empty text input field at the bottom. The right panel features a large, circular logo in the center, which contains a stylized black graduation cap icon.

New Screen

A second mockup of a laptop screen, identical to the one above, showing a login interface. The screen is divided into two panels by a vertical line. The left panel contains a login form with the following elements: a rounded rectangular button labeled "LOGIN" at the top; a text input field labeled "NIM" below it; a text input field labeled "PASSWORD" below that; and a short, empty text input field at the bottom. The right panel features a large, circular logo in the center, which contains a stylized black graduation cap icon.
